TELL IT TOGETHER

The Sleepy Adventure

Fill the blanks and read your very own story aloud

Once upon a time, child's name put on their favourite

colour pyjamas and heard a knock at the window. It was a

sleepy little animal !

"I can't sleep," it yawned. "Will you help me?"

So they counted number twinkling stars, drank a warm cup of

yummy drink , and sang a song about anything you love .

The little same animal smiled, whispered " goodnight word ", and they

both fell fast asleep. 🌙

TELL IT TOGETHER

My Best Friend and Me

Fill the blanks and read your very own story aloud

In a land of silly place, there lived a hero named child's name,
who was age years old and very, very brave.

One day, their best friend friend's name lost their favourite
toy or thing! "Don't worry," said our hero. "We will find it together."

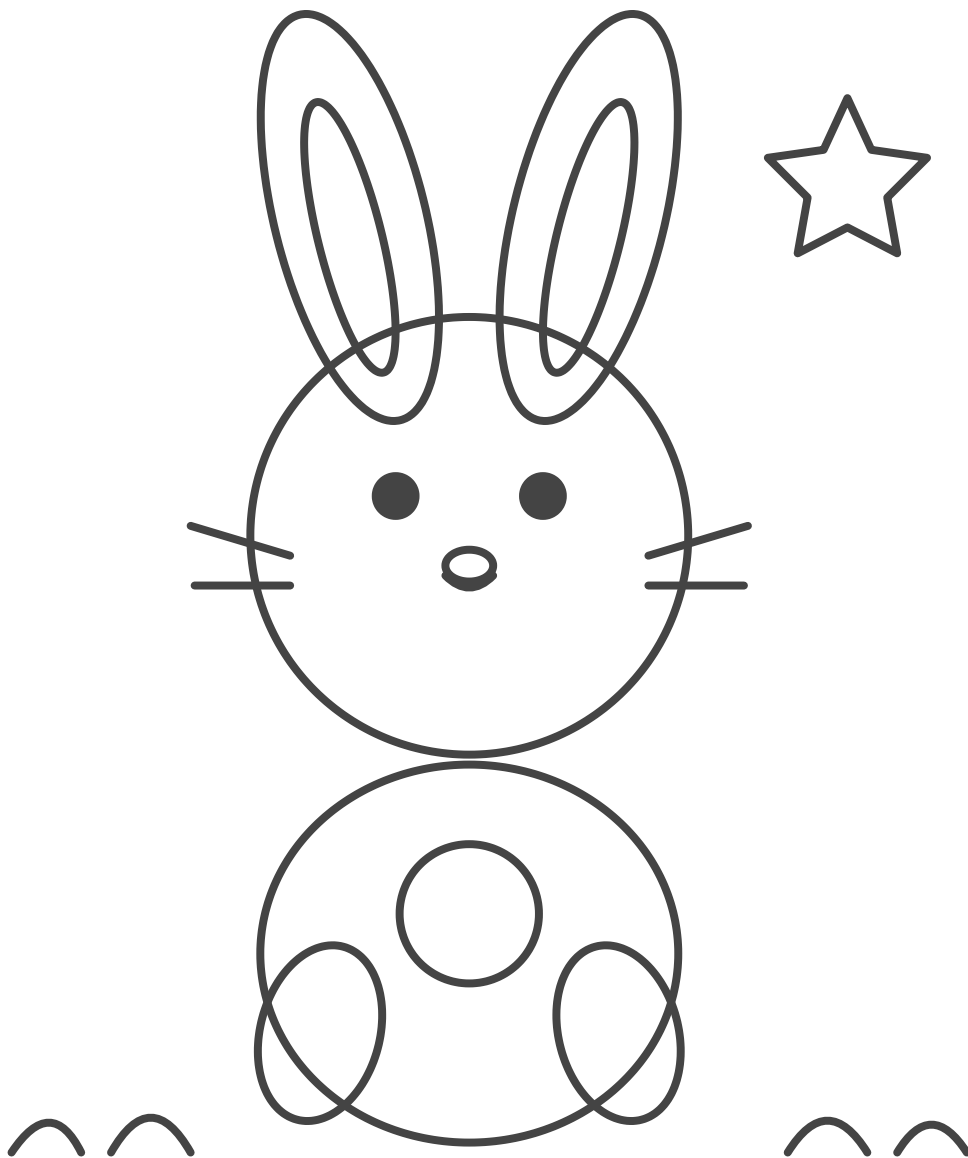

They looked under the furniture, behind the big thing, and
even inside a funny place — and there it was!

"You are the best friend in the whole world," said friend's name. And
they danced the silly dance name until dinner time. 🧡
